Instrumental Registration Notes

Registration for Instrumentals

On Monday, January 7th at 3:00PM we will process all complete Instrumental registrations. We will shuffle, number, and then process all forms in numerical order. In this way, all families receive equal opportunity to secure a time slot if the form is handed in by 3:00PM on January 7th. Registrations received after this date and time are considered on a first come, first served basis.

Complete registration includes:

- the Registration form (contact / program selection / payment information)
- payment

The completed form must be accompanied by full payment and be approved in order to register for the Instrumental program. You will be contacted during registration week to schedule your child's lesson time. Payment will not be processed until a lesson day and time has been confirmed.

Full Year Registration

If you registered for a full year of lessons in the fall, your lesson time and teacher are already confirmed.

Instrumental lesson make-ups and refunds

In the event that your child will miss a lesson, you must contact your child's instrumental teacher 24 hours in advance in order to be eligible for a make-up lesson or an individual lesson refund. Please note that each student is only permitted two make-up lessons for the fall session. Should you decide to withdraw from the Instrumental program; no refund can be issued after the second lesson has taken place.
