

Hi Parents of EK's- Here are a couple of the songs that you heard at the assembly. Try singing them at home. I am working on a way to eventually record some songs for you in a format that could go in the blog. I hope you have a wonderful holiday! -Sue

EK- lyrics

Here We Come, Zodiac (to the tune of 'Shortnin' Bread')

Here we come zodiac, zodiac, zodiac, zodiac

Here we come zodiac, all night long

Here we come zodiac, zodiac, zodiac, zodiac

Here we come zodiac, all night long

[Motions: With hands outstretched, alternate crossing them, right over left, left over right]

Step back Sally, Sally, Sally

Step back Sally, all night long

[Take small steps backwards while pointing thumbs over shoulders]

Walkin' down the alley, alley, alley

Walkin' down the alley, all night long

[Take small steps forward, swinging arms and clicking fingers]

I looked down the alley

And what did I see?

[Point in any direction]

A great big man from Tennessee (you can improvise here)

I bet you 5 dollars you can't do this

I bet you 5 dollars you can't do this

[Hold up five fingers on one hand, then the other]

(Spoken:)

To the front, to the back

To the side, side, side

To the front, to the back

To the side, side, side

[Small jumps in these directions]

The Scarecrow

When all the cows were sleeping and the sun had gone to bed.....

UP jumps the scarecrow and this is what s/he said

"I'm a jingle-jangle scarecrow with a flippy/floppy hat

I can shake my hands like this, I can shake my feet like that!"

(substitute cows for other farm animals)
