

May 25, 2011

Dear Families,

We are so proud of our fourth graders! It was truly wonderful to watch how much they shined in our musical production! We appreciate the many accolades and we know that the children feel so proud of themselves, too. For some photos from yesterday's performance please go to: www.flickr.com/photos/lrei-photos/sets/72157626810536084/

You can also check out a few video clips on LREI's facebook page.

In other exciting news, we have met with students about their fabulously creative teaching projects. Below please find the date, time and subject of each child's lesson.

We can't wait to experience all the lessons the children are preparing.

We wish everyone a peaceful and enjoyable Memorial Day weekend. And don't forget tomorrow's dismissal is at 1 p.m.

All the best,

Dina and Farrah

P.S. – Please let us know if your family would be interested in taking the Wizzy for the summer. She is an easy and carefree houseguest who comes with her own beach chair! ☺

Schedule for Teaching Projects:
