Dear Families,

On Friday, May 23rd, we will hold our annual Field Day at Pier 40. This is a wonderful school event in which students from all three divisions will have the opportunity to participate in a fun-filled day of recreational activities. Students will spend the first part of the day in activities with their buddies. Buddy groups will wear matching colors to represent their group (colors are listed below). The younger lower school classes will return to the school after this while the third through twelfth grades will participate in a variety of activities in mixed age groups.
