6 YEARS LATER:

DREAM: **Not in Audio Recording.*

It was the battle for the baconeggandcheese, August 25, 2021

Apollo Billingsly was the chosen 1

Everyone on the block knew that Apollo didn't play

He loaded his .9mm, and let it spray

Many lives were lost, on this horrific day

The battle for the baconeggandcheese was the bloodiest battle in history since the Civil War and many lives were lost. Including Apollo's.
